

# CERTIFICATE OF CONFORMITY

This is to certify that  
The WETSUIT Liquid Applied Membrane System  
- for use on New & Existing Roofs & Decks

[www.jas-anz.org/register](http://www.jas-anz.org/register)

## Product description

The 'WETSUIT Liquid Applied Membrane system' (WETSUIT system) is applied to a range of nominated roof, deck and adjacent wall substrates to provide a durable, wind and moisture resistant membrane. The system comprises:  
-WetSuit 2 parts rapid curing LAM;  
-WetSuit one-part self-leveling LAM;  
-WetSuit trowel grade and liberated trowel grade;  
-WetSuit Invisilink reinforcement fabric  
-WetSuit Undercover  
-WetSuit Primer where applicable

## Product purpose or use

The WETSUIT Liquid Applied Membrane system is intended for use on new and existing roof substrates in accordance with the technical literature.

Certificate Number

This certificate is issued by an independent certification body accredited by the product certification accreditation body appointed by the Chief Executive of the Ministry of Business, Innovation and Employment (MBIE) under the Building Act 2004. MBIE does not in any way warrant, guarantee, or represent that the building method or product the subject of this certificate conforms with the New Zealand Building Code, nor accept any liability arising out of the use of the building method or product. MBIE disclaims, to the extent permitted by law, all liability (including negligence) for claims of losses, expenses, damages, and costs arising as a result of the use of the building method(s) or product(s) referred to in this certificate. This Certificate of Conformity is issued for use by Building Consent Authorities in establishing compliance with the New Zealand Building Code.
