

# CERTIFICATE OF CONFORMITY

This is to certify that

## The MSA One System Enclosure

[www.jas-anz.org/register](http://www.jas-anz.org/register)

### Product description

The MSANZ One System Enclosure utilises a heavy triple-glazed-system (toughened glass), permanent silicon rubber seals and stainless steel framing. The system incorporates Walls (incl vertical sliding Wall-Sections) and Doors (Single, Double and Bi-Folding) and Roofing Elements.

### Product purpose or use

The MSANZ One System Enclosure is an entire unified and integrated wall enclosure for the complete building.

Certificate Number

This certificate is issued by an independent certification body accredited by the product certification accreditation body appointed by the Chief Executive of the Ministry of Business, Innovation and Employment (MBIE) under the Building Act 2004. MBIE does not in any way warrant, guarantee, or represent that the building method or product the subject of this certificate conforms with the New Zealand Building Code, nor accept any liability arising out of the use of the building method or product. MBIE disclaims, to the extent permitted by law, all liability (including negligence) for claims of losses, expenses, damages, and costs arising as a result of the use of the building method(s) or product(s) referred to in this certificate.
